

BARIATRIC & METABOLIC HEALTH CENTER

PROGRAM FEE ACKNOWLEDGEMENT

Vital components to successful gastric weight loss surgery are pre and post-op education, support group and follow-up care. We are committed to providing you with the resources necessary to make this process as successful and rewarding as possible.

Our program offers professionals, versed in the bariatric field, who will provide you with the educational, nutritional and emotional support needed to reach your goals. We offer the tools and knowledge needed to adjust to the physical, nutritional and psychological changes that occur during this transition period.

In addition to these services, the Bariatric Program Staff are committed to responding to your needs and concerns on a daily basis.

The program fee is \$250.00 and is a mandatory part of our program. This fee is collected at the Pre-education class prior to surgery. Payment can be made by cash, credit-card or personal check.
